

Clean Flow™

Inline A/C Drain Treatment

PROFESSIONAL STRENGTH CONDENSATE WATER TREATMENT UNIT

SimpleAir® Clean Flow™ Inline A/C Drain Treatment helps prevent condensate drain lines from clogging and overflowing. The time released, water activated condensate treatment also prohibits mold, mildew and musty odors from forming for improved indoor air quality. The transparent design alerts homeowners when the refill cartridge needs to be replaced. Each cartridge lasts up to six months and can be replaced quickly and easily.
