

Dehumidifier Installation Kit

SADK-1238

EASILY CONNECTS DEHUMIDIFIER TO CONDENSATE PUMP

The SimpleAir® Dehumidifier Installation Kit provides an easy to install connection for at home use. The clear vinyl tubing quickly and easily connects dehumidifier units to condensate pumps for unattended draining. The hose end adapter fits 3/4" garden hose connections and the tubing can be cut to the required length for pumping or floor drainage.

Kit Includes:

- (1) 20' 3/8" inner diameter clear vinyl tubing
- (1) 3' 3/8" inner diameter clear vinyl tubing with hose end adapter

Dehumidifier Installation Kit:

Drains unattended to a condensate pump or floor drain

Cut to desired length

Standard 3/4" garden hose thread
